## **A Message from the Chairman**

Welcome to the 2013 - 2014 season of the Community Hockey League (CHL).

The CHL is comprised of house league teams from the (5) member Associations of the Greater London Hockey Association (GLHA). The aim of the CHL is to promote and facilitate safe and fun hockey for every child that has a desire to participate.

This information manual has been prepared to assist our Coaches with the rules, regulations and general operating philosophy for our league. Please take the time to review the contents of this manual. Understanding the basic rules and philosophy of the CHL will help the season to run much easier for everyone.

I would like to personally thank all of the parent and non-parent volunteers who give back to the community and make the operation of minor sports in our community possible. The GLHA/CHL is one of the largest programs under the Hockey Canada umbrella. The CHL encompasses about 130 teams encompassing over 2,000 participants and volunteers.

Please be supportive, responsible and a positive role model to our kids. Remember to keep the game fun and provide a safe and respectful environment for all.

We hope that you all have a great season.
